Mrs. Rankin's Grade 2 Math Home Learning Program

Hello Grade 2s! Here are some more activities you can try! I would like to concentrate on subtraction of 2 digit numbers WITHOUT regrouping. You can also replace an activity or 2 with any activity you didn't do during the weeks there was choice (May 4-15 lessons). ©Ms.Rankin

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
<p><b>Outcome N07</b></p> 	<p><b><u>Subtraction without regrouping</u></b></p> <p>Click link below to watch 4 minute video:</p> <p><a href="#">Subtraction (without regrouping) Using Base Ten Blocks</a></p> <p>Solve the following problems by drawing base 10 blocks or using the interactive base 10 in link below:</p> <p><a href="#">Base Ten Blocks   Manipulatives   Coolmath4Kids</a></p> $\begin{array}{r} 37 \\ -25 \\ \hline \end{array}$ $\begin{array}{r} 58 \\ -23 \\ \hline \end{array}$	<p><b><u>Word Problems</u></b></p> <p>When solving problems don't forget</p> <ul style="list-style-type: none"><li>-to read the problem carefully</li><li>-find key words like take away, remove, less than, left</li><li>-Make an equation</li><li>-solve the problem by drawing base 10 blocks or using interactive base 10 link from yesterday.</li></ul> <p><b>Solve these problems:</b></p> <ol style="list-style-type: none"><li>1. There are 67 cards in a box. John removes 43 cards. How many cards are left?</li><li>2. Sara removed 13 crayons out of the box. The box originally had 45 crayons in it. How many crayons are left in the box?</li></ol>	<p><b><u>Wellness Wednesday</u></b></p> <p>The whole school is participating in Wellness Wednesday. It is a chance to put our academics aside and concentrate on our wellness (the things we do to take care of ourselves).</p> <p>This week you will be drawing your "HAPPY PLACE"!</p> <p><b>See Mrs. Morrison's plans for details.</b></p>	<p><b><u>Subtraction Game</u></b></p> <p>Click the link below and scroll down to the 4th game to play the game called 2Digit-2Digit.</p> <p><a href="#">Subtraction Games for 2nd Grade Kids Online - SplashLearn</a></p>	<p><b><u>Splat At Home</u></b></p> <p>This video reminds you how to count on, use the number line and use your doubles.</p> <p>Click the link to learn how to do this activity called splat. <a href="https://www.youtube.com/watch?v=8eleA-sFXwo&amp;app=desktop">https://www.youtube.com/watch?v=8eleA-sFXwo&amp;app=desktop</a></p> <p>You can change up the numbers and don't forget to try and record a few of your answers for me!</p>
