

May 25-29th, 2020

Mrs. Rankin's Grade 2 Math Home Learning Program

Only 2 weeks to go! You can do it! I would like to concentrate on subtraction of 2 digit numbers WITH regrouping this week. You can also replace an activity or 2 with any activity you didn't do during the weeks there was choice (May 4-15 lessons). ©Ms.Rankin

	<b>Monday</b>	<b>Tuesday</b>	<b>Wednesday</b>	<b>Thursday</b>	<b>Friday</b>
<p><b>Outcome N07</b></p> 	<p><b><u>Subtraction with regrouping</u></b></p> <p>Click the link below to watch a 5 minute video on subtraction with regrouping.</p> <p><a href="https://www.youtube.com/watch?v=iHPApVGn4K4&amp;t=48s">https://www.youtube.com/watch?v=iHPApVGn4K4&amp;t=48s</a></p> <p>Solve the following problems by drawing base 10 blocks or using the interactive base 10 in link:</p> <p><a href="#">Base Ten Blocks   Manipulatives   Coolmath4Kids</a></p> <p><b>34            52</b> <b><u>-26</u>            <u>-35</u></b></p>	<p><b><u>Word Problems</u></b></p> <p>When solving word problems, don't forget to</p> <ul style="list-style-type: none"><li>-Read the problem carefully.</li><li>-Find Key words like take away, remove, less than, left</li><li>-Make an equation.</li><li>-Solve by using base 10 blocks (drawing them or using the online ones from yesterday)</li></ul> <p><b>Solve:</b></p> <p>Mrs. Rankin bought 31 paintings. She sold 15 of them. How many did she have left?</p> <p>Mrs. MacEachern has 42 apples in her basket. She gives 14 students an apple. How many apples are left in her basket?</p>	<p><b><u>Wellness Wednesday</u></b></p> <p>The whole school is once again participating in Wellness Wednesday. It is a chance to put our academics aside and concentrate on our wellness (the things we do to take care of ourselves).</p> <p>This week you will practice being mindful using a 5-4-3-2-1 strategy!</p> <p><b>See Mrs. Morrison's plans for details.</b></p>	<p><b><u>+ or - Problems</u></b></p> <p>Use pictures, numbers, or words to solve the problem.</p> <ol style="list-style-type: none"><li>1. Lily collected 53 cans of food for the food drive. She stacked 25 cans in the cupboard. How many cans are left to be stacked?</li><li>2. Joe planted 38 trees. His son Jerry planted 7. How many trees were planted altogether?</li><li>3. My friend made 43 chocolate chip cookies and some peanut butter cookies. There were 92 cookies in the cupboard. How many were peanut butter?</li></ol>	<p><b><u>Splat At Home</u></b></p> <p>Play Splat again.</p> <p>This video reminds you how to count on, use the number line and use your doubles.</p> <p>Click the link if you need a review of splat</p> <p><a href="https://www.youtube.com/watch?v=8eleA-sFXwo&amp;app=desktop">https://www.youtube.com/watch?v=8eleA-sFXwo&amp;app=desktop</a></p> <p>You can change up the numbers and don't forget to try and record a few of your answers for me!</p>
